

REMARKS

Claims 56-59 stand objected to for an informality and claims 64 and 65 stand rejected under 35 U. S. C. §112.

Applicants, in the present response, amend the claims to address the informalities noted by the Examiner and to address the rejections under 35 U. S. C. §112. In that the amendments made do not alter the claim scope, they will not be regarded as "narrowing" claim amendments. No amendment presented herein contains new matter.

Accordingly, in view of the above amendments and remarks, applicants believe all of the claims of the present application to be in condition for allowance and respectfully request reconsideration and passage to allowance of the application.

If the Examiner believes that contact with applicants' attorney would be advantageous toward the disposition of this case, the Examiner is herein requested to call applicants' representative at the phone number listed below.

The Commissioner is hereby authorized to charge any fees associated with this communication or credit any overpayment to deposit Account No. 50-0289.
